

Thank you for registering to join this session of Best We Can Parenting! We hope you find the series valuable and enlightening. A recording of the session and links to resources will be made available at [BStrong Together/Best We Can Parenting](#).

**Good to know:**

- We are recording the sessions for sharing and reference. Only the librarians and our experts will be visible on the recordings.
- Attendees will be muted to ensure sound quality.
- Your camera will be turned off unless you choose to turn it on; if you turn your camera on, you will be visible to other attendees.
- Cheryl Peterson, Ed.D, will first share thoughts and takeaways, then answer questions from the group.
- Since we are recording and want to protect your family's privacy, please use the chat feature to send questions to Community Engagement Librarian Sam or Youth Services Librarian Demitra; they will read them aloud.

General info about Zoom:

- Controls only appear when you move your mouse (or touch the screen) within the Zoom window.
  - We suggest the Speaker view rather than the Gallery view for this program. In the upper right corner, toggle between seeing only the person who is speaking or a gallery of attendees.
    - Whichever view you are currently using, the button shows the option to switch to the other. For example, when you're in "speaker view" the button at the top of the screen will say "gallery view," because it is offering you the option to switch to that. This can be confusing.
  - The Chat option appears along the bottom of the screen, right of center. You may chat to the entire group or to any other individual. Be aware that when the recording is downloaded, a copy of the chat is included. This enables us to capture questions, comments, and suggestions. However, ALL chats are captured, so please don't chat anything confidential to another attendee.
- 

BStrong Together and BALibrary invite you to a scheduled Zoom meeting.
