

Snow Person Sticker Card

Overview

This project is for adults and children ages 3 and up with adult supervision. Build your own snow person complete with vinyl sticker accessories on a holiday greeting card.

Materials

- Cardstock paper
- Black, brown, green, and white vinyl stickers

Instructions

Fold the provided cardstock in half to create a foldable card. Then, simply peel and stick the vinyl stickers to create your snow person. Using a toothpick or tweezers to weed the sticker off of the sheet may be necessary.
